

# HOUSINGS WITH REMOVABLE PANELS

**DESCRIPTION:** Weather-resistant post and surface mount housings for access control applications. Removable panel and factory selected cam lock are included. Post mount styles are designed for use with the stanchions.

**ORDERING GUIDE:** Housing part numbers have the form, Hhhwwdd, where hh is the housing height, ww is the width, and dd is the depth (in inches,  $\pm 0.1$ ). To order, specify the housing part number, followed by the desired mounting style code and other option codes (depth behind panel, finish, etc.), as required

**MOUNTING STYLES:**

1CR (1-1/4" Rear Coupling, rear)  
 1CB (1-1/4" Coupling, bottom)  
 SM (Rear Surface Mount)

**FINISH:**  
**OTHER:**

WPC (White Powder Coat)  
 HPIIn (Hole Pattern Custom)  
 nPP (Depth Behind Panel, n=inches [Dim. "pp"] if other than the standard depth)

**OPTION CODES**

2CR (2" Rear Coupling, rear)  
 2CB (2" Coupling, bottom)  
 LS (Left Side Mount)  
 BPC (Black Powder Coat)  
 SP (Internal Sub-panel)

3SR (3" Sq. Post Mount, rear)  
 3SB (3" Sq. Post Mount, bottom)  
 RS (Right Side Mount)  
 SF (Special Finish)  
 ML (Medeco Series 60 Cam Lock)

**Example: H080607-1CR-HPG01-WPC**

This is an 8" high by 6" wide by 7" deep housing with 1-1/4" rear coupling, single gang hole pattern and white powder coat finish

**PRICING INFORMATION:** The list prices shown below include housing with blank panel, standard cam lock, mounting style of choice and indicated finish. \*Consult factory for special finish pricing. Additional charge for providing hole pattern(s) provided in panel (consult factory); Add \$30.80 for Medeco Series 60 Cam Lock upgrade (Option—ML)
